WEIGHT	150 g
---------------	-------

Artisanal creamy yoghurt, with a distinctive citrus blossom flavouring

DESCRIPTION

Artisan yoghurt made from whole cow's milk collected daily from farms just a few kilometres from the dairy and enriched with a citrus blossom mixture

APPEARANCE

Yoghurt with a thick, creamy texture; the blossom mixture is visible at the bottom of the jar

TASTE

Sweet and milky, with a slight acidity, enhanced by the intense floral notes of citrus blossom

PRODUCER

KORBAN - GORRINO (CN) - PIEDMONT

OUR SELECTION

A range of yoghurt and kefir branded Via Lattea, produced by Korban dairy: artisanal production using local milk and respecting natural fermentation times, to offer those seeking high-quality yoghurt and kefir a healthy and trustworthy

CURIOSITY

Fermentation takes place without acceleration, using selected cultures that give the yoghurt its characteristic rich, creamy texture. No thickeners are used in production, and the fruit preparations and other flavouring ingredients are exclusively of Italian origin, mainly from Piedmont

SUGGESTIONS

It's perfect on its own, but we suggest stirring it gently to mix the yoghurt with the blossom mixture
