

KEFIR NATURALE - LACTOSE FREE

CODE 21534

COUNTRY OF ORIGIN Italy, Piedmont

WEIGHT 150 g

Creamy kefir, handcrafted with lactose-free milk from the Langhe region

DESCRIPTION

Artisanal kefir in a jar, made with whole cow's milk collected daily from farms just a few kilometres from the dairy, in a lactose-free, creamy version

APPEARANCE

White, with a soft and creamy texture

TASTE

Refreshing, with a delicate acidity

PRODUCER

KORBAN - GORRINO (CN) - PIEDMONT

OUR SELECTION

A range of yoghurt and kefir branded Via Lattea, produced by Korban dairy: artisanal production using local milk and respecting natural fermentation times, to offer those seeking high-quality yoghurt and kefir a healthy and trustworthy option

CURIOSITY

Kefir originated as a fermented drink with a very ancient tradition that is widely consumed in the Caucasus region

SUGGESTIONS

Highly versatile, perfect on its own but also for pairing or as base for light dishes
