Cappellini Veg Lab - Mariano Comense (CO) - Lombardy

## OUR SELECTION

Cappellini produces a line of vegetables that are clean, almost exclusively of national origin and completely free of preservatives. A product ready for sale, combining practicality and quality: a high-end side dish for shops and a versatile semi-finished product for restaurants

## CURIOSITY

The fresh vegetables are cooked under vacuum at a low temperature: a choice that allows the vegetables' liquids to be preserved while keeping their flavours, aromas and colours intact

## SUGGESTIONS

Serve either hot or warm, perhaps garnished with some Crema di Rugiada, or even as a cold vegetable soup to accompany some burrata
