DESCRIPTION

Dolcevia's finest gourmet product, a brioche made with carefully selected ingredients according to a classic recipe; very versatile in the kitchen; to be stored at room temperature

APPEARANCE

The dough is soft and velvety, shaped like a loaf; the surface is nicely caramelised

TASTE

On the palate, it is an explosion of flavour and elegance, with a soft yet full-bodied texture and a delicate sweetness

OUR SELECTION

Dolcevia was one of the first companies to invest in fresh baked goods that can be stored outside the fridge, using mini oxygen absorbers in every pack. This guarantees a shelf life of 60 days from the date of packaging!

SUGGESTIONS

Slice and reheat in the oven or an air fryer at 200°C for 3-4 minutes, or until reaching the desired crispness. There are numerous possible combinations: try it with foie gras and sweet compotes, with a creamy blue cheese and a chutney, with butter and salmon or anchovies, or for French toast
