

CAPRINO "CAPRISSIMA VARIEGATO"

CODE	20994
COUNTRY OF ORIGIN	Italy, Lombardy
TYPE OF MILK	Goat's milk
WEIGHT	560 g approx (80 g approx each piece)

Small caprini flavored with herbs and spices

DESCRIPTION	Small caprini produced with pasteurized goat's milk
APPEARANCE	They appear as colored pastries, spices and the aromas are added to the outside
TASTE	The taste is slightly sour, with hints of milk and with a good combination of different aromas that are found on the outside of the cheese
MATURING	Not expected
PRODUCER	Carozzi Formaggi - Pasturo (LC) - Lombardy
CURIOSITY	This cheese, produced only with goat's milk, has a high degree of digestibility, and the low content of lactose makes it a suitable product for those with some difficulties with cow's milk cheeses
SUGGESTIONS	Perfect to spread on a toasted bread. Also very good in a plate of grilled vegetable
