PRODUCER	Caseificio Gennari - Collecchio (PR) - Emilia Romagna
OUR SELECTION	The Bruna cows stands out for the balance between quality and quantity of produced milk, particularly suitable for cheese making. The Parmigiano Reggiano DOP obtained with this milk is very elegant, with a sweet and creamy flavour.
CURIOSITY	The history of the Gennari dairy begins in 1953, when Sergio and Maria take over a dairy in Collecchio. At that time three forms were produced per day. Today the sons of Sergio and Maria also work in the dairy, with a daily production of 80 wheels and a warehouse of 50,000 wheels
