OUR SELECTION	Salumificio Grossetti is a family company whose history started in the XVII century in Pianello, a small peasant village on the hills in Valtidone valley, between Pavia and Piacenza. Grossetti family used to run a delicatessen shop and to produce in winter the typical charchuterie from pigs bred by local farmers. This tradition, handed down from generation to generation is preserved even today by Antonio and his family, with a passion and an enthusiasm that conquered us
