DESCRIPTION	Fresh pork's legs from pigs born, bred and slaughtered in Italy and certificated by the Parma Ham Consortium
APPEARANCE	The slice has a light brick red colour, with a right balance between fat and lean, gently marbled
TASTE	Sweet and delicate, very fragrant, with toasted notes
MATURING	At least 26 months
PRODUCER	Casa Graziano - Tizzano Val Parma (PR) - Emilia Romagna
OUR SELECTION	Casa Graziano is an artisan ham manufacturer that rigorously selects the raw materials and practices the artisanal salting
CURIOSITY	The selection 30 e lode owes its value to the long aging in the ancient family cellar where only the best hams reach at least 26 months of maturing
SUGGESTIONS	Serve this wonderful ham by hand-slicing, in order to enhance the taste. If, after the service, you need to keep the product until the next usage, we suggest to cover only the exposed part with transparent film and place the ham in a refrigerated area; at the next cutting occasion you just have to remove the first slice. Instead, if the reuse takes place after more than a few weeks it is better to debone the ham and put it under
