

BAKED TURKEY BY MEGGIOLARO

CODE	80858
COUNTRY OF ORIGIN	Italy, Veneto
WEIGHT	3 kg approx

Roast turkey produced in Strà (Venice) without preservatives

DESCRIPTION	Roast of turkey breast, with salt and spices, free from preservatives and additives
APPEARANCE	The slice has a pink colour in the centre and a light brown border
TASTE	Sweet and delicate, not too sapid on purpose
PRODUCER	Meggiolaro - Stra (VE) - Veneto
OUR SELECTION	We really liked the products of Meggiolaro because they are produced without using preservatives or additives and baked at low temperatures respecting the cooking times of the meat
CURIOSITY	Meggiolaro is a small artisan factory, still family-run today, specialized in the production of roasted products. Today the company is managed by Alessandro and Gessica, sons of the founder, who maintain that tradition in the processing that has made Meggiolaro's cured meats unique and so appreciated
SUGGESTIONS	Perfect as cold dish, cutted into thin slices adding a pinch of salt and pepper, and a good extra virgin olive oil
