

LATE MANDARIN MARMALADE

CODE 92895

COUNTRY OF ORIGIN Italy, Sicily

WEIGHT 220 g

Marmalade produced in Sicily by Scyavuru

DESCRIPTION

Mandarin marmalade Late variety Avana produced in Sicily by Scyavuru exclusively with mandarins from associated companies

APPEARANCE

It has an orange color

TASTE

Sweet with a typical mandarin scent, it retains all the scent of fruit

PRODUCER

Scyavuru - Ribera (AG) - Sicily

OUR SELECTION

We chose this jar because it was produced with mandarins coming from selected producers, natural pectins extracted from citrus peel are used to shorten the cooking times and enhance the raw material.

CURIOSITY

The name 'scyavuru' in Sicilian dialect means scent, smell, fragrance. The attachment to tradition is also reflected in cultivating land and fruit production. The production of jams, jams and jellies is linked to a patrimony of recipes and procedures passed down through generations
