

## KALAMATA OLIVES - PITTED

<b>CODE</b>	93284
<b>COUNTRY OF ORIGIN</b>	Greece
<b>WEIGHT</b>	190 g

Pitted black Kalamata olives, from Greece

### DESCRIPTION

Kalamata olives, collected by hand in the Peloponnese Peninsula

### APPEARANCE

Intense purple-black colour, elongated shape and juicy pulp

### TASTE

Slightly tangy, with a good persistence and a soft texture

### OUR SELECTION

Kalamata olives are the most renowned greek olives; we have chosen the olives by Maniterra which are collected strictly by hand in Sparta area and selected directly by the farmers, without intermediaries

### CURIOSITY

There are basically three types of olives in Greece: the round Conservolia olives (green and black) produced in the north and in the west of Greece; the large Halkidiki Olives (green and black) produced in the northern part of Greece and finally Kalamata olives (only black) produced in the southern part of Peloponnese Peninsula

### SUGGESTIONS

Delicious as aperitif, excellent in the classic Greek salad (horiatiki), or on the pizza
