Soft and creamy to the palate

PRODUCER

DelSanto - Santa Giustina in Colle (PD) - Veneto

OUR SELECTION

DelSanto has been operating in the food sector for more than 30 years and it is specialized in the processing and preservation of vegetables, legumes and fresh mushrooms. What has conquered us is the care in the choice of raw materials, the respect for seasonality and the production process that aims to preserve the characteristics of the vegetables

SUGGESTIONS

Ready to use beans, perfect for salads or soups. Delicious also blended directly in their glass jar to make a beans cream
