OUR SELECTION

DelSanto has been operating in the food sector for more than 30 years and it is specialized in the processing and preservation of vegetables, legumes and fresh mushrooms. What has conquered us is the care in the choice of raw materials, the respect for seasonality and the production process that aims to preserve the characteristics of the vegetables

CURIOSITY

The term 'mesciua' means to mix and is the symbolic dish of La Spezia; is a popular dish, born from the encounter between Ligurian cuisine and that Tuscany; it is said that the wives of the dockers who worked in the port of La Spezia went to the docks with their children to collect everything what had fallen from the cracks in the sacks carried and unloaded by the vessels loaded with grain; grains, even 5-6 different types of legumes e cereals, were then washed and cooked
