DESCRIPTION Small burrata produced with pasteurized cow's milk, without knot

TASTE The taste is fresh and sweet with a typical aroma of milk and cream

PRODUCER Caseificio Olanda - Andria (BA) - Puglia

OUR SELECTIONThe burrata from Caseificio Olanda is authentic and witnesses a level of craftsmanship that

has few equals in the sector: the mozzarella sheets that become the heart of the burrata, are

still rip by hand!

CURIOSITY Caseificio Olanda processes an average of 50 quintals of milk each day (against the industry

that processes 30 times as much) coming exclusively from two stalls from the Murge, a plateau in the Apulian hinterland particularly suited to grazing and the breeding of dairy

cattle

SUGGESTIONS For the preparation of appetizers, salads and first courses, such as spaghetti with cherry

tomatoes, olives and burrata. Delicious on a pizza or for an original dessert with

strawberries. For an easy recipe to propose even to children, blend the burrata with peppers

to get a tasty sauce!
