WEIGHT	190 g net weight

Whole slices of Bonito del Norte white tuna in glass jar with olive oil

DESCRIPTION	Bonito del Norte white tuna in olive oil
APPEARANCE	Whole slices of tuna, white in colour with pink shades without crumbles
TASTE	Pleasantly salty and crispy; the balanced fat content allows the muscle bands to separate easily remaining distinct from each other; the presence of olive oil does not alter the taste
PRODUCER	Yurrita e Hijos - Mutriku - Spain
OUR SELECTION	Yurrita tuna is caught on the hook as per tradition in respect of sustainable fishing, following all stages of the supply chain very carefully
CURIOSITY	The word Bonito del Norte is to indicate only the tuna of the Cantabrian Sea caught in the summer season. Long cooking at low temperatures allows the meat to maintain a good texture and to preserve the original flavor without altering the aromatic bouquet
SUGGESTIONS	Delicious on its own or with vegetables, it is a perfect ingredients for sauces and stuffings, try it to make the sauce of vitello tonnato
