| <b>OUR SELECTION</b> | Sette Chiese is the first organic Mortadella produced in Bologna and it is produced with a deep attention in the selection of meat. It couldn't miss in our selection of charcuterie |
| <b>CURIOSITY</b>     | The absence of meat by-products such as rind and emulsion of rind gives this mortadella a very high digestibility  |
| <b>SUGGESTIONS</b>   | To taste like a classic mortadella, in thin slices or in small cubes   |
