<b>WEIGHT</b>	250 g
---------------	-------

Delicious tomatoes naturally sun dried and ready to eat

---

### RAW MATERIAL

Tomatoes harvested by hand and naturally sun dried, without preservatives, they are already washed and desalted, ready to use

### APPEARANCE

Tomatoes cut in half, pulpy and with an intense red colour

### TASTE

Pulpy and tasty

### PRODUCER

I Contadini - Ugento (LE) - Apulia

### OUR SELECTION

The aspect that has most impressed us on the Farmers is the link with the territory and tradition. The vegetables are all produced in the company, with integrated agriculture, in the fields near the plant, in the province of Lecce in Puglia.

### SUGGESTIONS

The perfect ingredient for fast recipes, for example spaghetti with garlic, oil and chilli pepper, a fresh salad or simply as appetizer. Use it even to enrich the bread basket!
