OUR SELECTION	They are traditionally served as a condiment to main dishes based on meat, rice or vegetables. These sweet and sour chutneys by Alessio Brusadin are new proposals to combine with cheese and charcuterie. We were impressed by how Alessio made them: he already knew how to combine each chutney. He has managed to combine the oriental tradition of chutney with the tastes of Italian culture
CURIOSITY	Chutney or chatni is a family of condiments associated with Indian and South Asian cuisine that contains a mixture of spices, vegetables and/or fruit
SUGGESTIONS	Fantastic with salami
