CODE	93254
-------------	-------

COUNTRY OF ORIGIN	Italy, Apulia
--------------------------	---------------

WEIGHT	550 g
---------------	-------

One of the most famous Italian olives coming from Puglia

DESCRIPTION	GG in calibre green olives coming from the city of Cerignola
APPEARANCE	Those are distinguished by the oval shape, larger than other varieties, and the ease of detachment of the very fatty pulp from the core
TASTE	The taste is sweet, fresh and herbal; the aftertaste is round, long and woody
PRODUCER	Azienda Agricola Fratepietro - Cerignola (FG) - Puglia
OUR SELECTION	Abbiamo scelto le olive prodotte dall'azienda agricola Fratepietro di Cerignola (perchè produce olive Bella di Cerignola dal 1980, seguendo con attenzione l'intera filiera: un aspetto al quale Andrea e il papà Giovanni, oggi a capo dell'azienda, tengono particolarmente
CURIOSITY	The olives are processed according to tradition with the ancient system known as "Sivigliano" which involves several stages: the process that decreases the bitter component; immersion in a saline solution; the pasteurization that stabilizes the product
SUGGESTIONS	Ideal for seasoning a salad, to enrich the classic Italian appetizer or simply as an aperitif
