Hazelnut and cocoa spread cream by Borgoluce

DESCRIPTION	Spreadable hazelnut and cocoa cream made with hazelnuts of Tonda Gentile variety grown within Borgoluce estate
APPEARANCE	It is a smooth cream, with a soft consistency, easy to spread
TASTE	Sweet, persistent and well balanced with the sugar content, with an intense aroma of hazelnut
PRODUCER	Borgoluce - Susegana (TV) - Veneto
OUR SELECTION	Borgoluce is a company that has made of eco-sustainability and biodiversity its mission: 1220 hectares of pastures, woods, farms, cultivated fields, vineyards, orchards, canals, mills, dairies. An intact environment, owned by the Collalto family since the XII century, when this variety allowed to produce within the Borgoluce all the products needed for daily life
CURIOSITY	In Borgoluce there are three hectares dedicated to the cultivation of hazelnuts, one of them is already productive and the other two have been planted this year. The variety planted is Tonda Gentile Romana hazelnut, rich in essential oils, spheroidal in shape and medium in size, with a compact and crunchy texture and a fine and persistent taste
SUGGESTIONS	Ideal for many preparations: on a warm bread slice, with pancakes, to finish a dessert
