Delicious cocoa panettone with chocolate and black cherries, in an elegant box

<b>DESCRIPTION</b>	Soft leavened product with cocoa dough, enriched with chocolate drops and candied black cherries
<b>APPEARANCE</b>	Soft, the dough has an evident alveolation and is brown in colour, with the black cherries evenly distributed
<b>TASTE</b>	Rich, with intense flavour of chocolate, sweetened by candied black cherries that make the taste even more intriguing
<b>PRODUCER</b>	PANIFICIO FOLLADOR - PRATA DI PORDENONE (PN) - FRIULI VENEZIA GIULIA
<b>OUR SELECTION</b>	For our first steps in the world of Christmas leavened products, we could only ask to Forno Follador with which we have established a solid relationship: a selection that satisfies the expectations of lovers of great classics, such as Traditional Panettone or Pandoro, but also some less traditional proposals, such as the Panettone with Pistachio or the one with Chocolate and Amarene. For everyone, one common denominator: careful selection of raw materials, processing of fresh mother yeast and respect for traditional leavening times
<b>CURIOSITY</b>	The dark dough is obtained by adding cocoa mass in the processing, and is then enriched with 60% dark chocolate drops from South American and candied black cherries
