OUR SELECTION

BioAlberti is an entirely organic agricultural company, immersed in the rolling Umbrian hills in the locality of Poggio Aquilone and extends over an area of 560 hectares between the province of Perugia and the province of Terni

CURIOSITY

Nutritious and light, very digestible, it is suitable for early childhood nutrition

SUGGESTIONS

It does not require preliminary soaking. For a tasty recipe we recommend washing the soup, preparing and browning the sauté and adding the soup for the roasting. Then let it flavor and add the vegetable broth. Cooking times are approximately 35 minutes
