Whole grain black rice of Ebano variety, grown by Cascina Oschiena

---

<b>DESCRIPTION</b>	Whole grain rice variety cultivated by Cascina Oschiena in Piedmont, with intense colour and aroma
<b>APPEARANCE</b>	The grain is rather round and intensely black in colour, due to the significant presence of anthocyanins in the outer part of the grain
<b>TASTE</b>	Intense, recalling the taste of freshly baked bread
<b>PRODUCER</b>	Cascina Oschiena - Crova (VC) - Piedmont
<b>OUR SELECTION</b>	When Alice Cerutti confessed to us that she had started cultivating a new variety of black rice to replace the Venere, we couldn't help but be enthusiastic and support the project: thus was born Ebano Black Rice, which at the taste test proved to be well beyond our expectations!
<b>CURIOSITY</b>	Thanks to its high content of antioxidants, fibre, protein and mineral salts, this rice is ideal for those looking for products suitable for a healthy diet
<b>SUGGESTIONS</b>	Ideal in the preparation of salads and shellfish dishes. Cooking time: 35-40 minutes
