OUR SELECTION

It won us over because Orchard Medley is a young and capable company that places a strong emphasis on the integrity of the flavor of the fruits and vegetables used, without the addition of additives and preservatives

CURIOSITY

The company was started a couple of years ago by two young men who decided to combine their individual skills: Mattia, a chef, and Stefano, a fruit and vegetable trader. Their concept encapsulates the idea of bringing all the riches of the garden to the table

SUGGESTIONS

Ideal when paired with Parmigiano Reggiano DOP or with aged sheep's milk cheeses like Otto Passi's 180-day Superior Pecorino
