CODE	96402
COUNTRY OF ORIGIN	Spain
WEIGHT	250 ml

Exclusive extra virgin olive oil flavoured with Yuzu

DESCRIPTION	Cold-pressed extra virgin olive oil from Arbequina olives, flavoured with Japanese yuzu citrus fruit (10%)
APPEARANCE	It has a vivid colour, intense and bright yellow
TASTE	Very pronounced citrus notes with a medium green fruitiness and grassy aroma
PRODUCER	O-MED - Ácula (Granada, Spagna)
OUR SELECTION	A high-quality Spanish production from a small oil mill in Granada, run by two young people: innovative spirit and a commitment to excellence, not only for single-variety oils but also for flavoured oils
CURIOSITY	Yuzu is a citrus fruit native to central China, widely used in Japanese and Korean cuisine. It is an integral part of Japanese ponzu sauce, which usually accompanies tataki. It is used to flavour chocolate, cocktails, shortbread biscuits, custard, jams and sorbets
SUGGESTIONS	Try it with vegetable creams, ceviche and fish dishes in general; it is particularly delicious with crab
