Rice salad with vegetables and a mix of spices, ready to use

<b>DESCRIPTION</b>	Rice salad with a mix of vegetables including carrots, peppers, and peas, seasoned with turmeric, tamari sauce, curry, and extra virgin olive oil
<b>APPEARANCE</b>	Rice and vegetables in clearly visible, brightly coloured pieces; the rice has a golden yellow hue due to the mix of spices used in the seasoning. Packaged in a single-serving vacuum-sealed bag
<b>TASTE</b>	Pleasant and well-balanced, with a mild seasoning
<b>PRODUCER</b>	Eat Like a Star - Maser (TV) - Veneto
<b>OUR SELECTION</b>	A line of high-quality, ready-to-eat gourmet dishes created by Eat Like a Star, a company from Treviso with extensive experience in the restaurant industry. An interesting selection of ready-to-use recipes that we aim to offer both to the new catering sector, which may not have access to fully equipped kitchens, and to traditional retail channels that are always looking to expand their range of ready meals
<b>CURIOSITY</b>	The producer has chosen to use parboiled rice to ensure easier cooking retention: the rice and vegetables are cooked separately to maintain their textures and flavours. The ingredients are then mixed and seasoned only once cooled
<b>SUGGESTIONS</b>	Salad to be consumed either cold or hot, simply reheated in the microwave, remembering to pierce the bag before reheating. Also ideal as a side dish for meat or fish recipes. For reheating, pierce the bag and heat in the microwave at 750 W for 30 seconds
