CURIOSITY	Gulasch is a traditional Hungarian dish that made its way to Italy, particularly to Trentino Alto Adige and Friuli Venezia Giulia, during the Habsburg domination, to the point that it is now considered a typical dish of the local gastronomic tradition. Compared to its Hungarian counterpart, which is a very broth-like soup, Trentino gulasch is thicker, similar to a stew
SUGGESTIONS	It is ready to serve after being thoroughly heated in a bain-marie; ideal paired with yellow polenta or boiled vegetables, perfect with rice or spätzle; for an original idea, serve it with couscous
