| OUR SELECTION | Savini is a family of truffle hunters spanning four generations, who have transformed their passion into a profession. Today, Savini Tartufi is an artisanal company that manages the entire supply chain, from searching for fresh truffles in their own woods to collaborating with various expert hunters. Over the years, Savini Tartufi has created a wide range of truffle-based products: creams, sauces, condiments, and many exciting new offerings that we present to you today, ready to be experimented with in the kitchen |
| SUGGESTIONS   | Designed as a seasoning with an extra touch; ideal for meat roasts and fish dishes, it pairs perfectly with fried eggs and French fries; also delightful on popcorn   |
