

CECE BIO

CODE	96297
------	-------

COUNTRY OF ORIGIN	Italy, Umbria
-------------------	---------------

WEIGHT	400 g
--------	-------

Chickpeas grown organically by the BioAlberti company

DESCRIPTION

Organic chickpeas of the sultan variety

APPEARANCE

Semi round and smooth from beige to brownish, thin skin

TASTE

Sweet and delicate flavour

PRODUCER

BioAlberti - Poggio Aquilone (TR) - Umbria

OUR SELECTION

BioAlberti is an agricultural company, entirely organic, immersed in the rolling Umbrian hills in the locality of Poggio Aquilone and extends over an area of 560 hectares between the province of Perugia and the province of Terni

SUGGESTIONS

Ideal for soups, creams and salads; Whole chickpeas require a preliminary preparation of 12 hours of soaking followed by 1 hour and a half of cooking by boiling in water or better still with vegetable broth; shelled: they do not require soaking, 45 minutes of cooking
