TASTE	Sweet and delicate, with fresh, watery vegetal notes, crispy on the outside and soft on the inside
PRODUCER	Cappellini Veg Lab - Mariano Comense (CO) - Lombardy
OUR SELECTION	Cappellini produces a line of vegetables that are clean, almost exclusively of national origin and completely free of preservatives. A product ready for sale, combining practicality and quality: a high-end side dish for shops and a versatile semi-finished product for restaurants
CURIOSITY	The fresh vegetables are cooked under vacuum at a low temperature: a choice that allows the vegetables' liquids to be preserved while keeping their flavours, aromas and colours intact. Courgettes are a simple vegetable, which is why the technology developed by Cappellini delivers even more surprising results in terms of taste and texture
SUGGESTIONS	Excellent as they are, they can be heated in a bain-marie in their bag for 4 minutes or in the microwave for 2 minutes at medium power after piercing the packaging. Perfect as a quick side dish, as a dressing for cold pasta or cereals, or in an omelette enriched with mint leaves
