--------	-------

180 g skin pack of blue cheese matured in Raboso wine

DESCRIPTION	Blue cheese made from cow's milk and refined with Raboso wine, in small portions in skin packs
APPEARANCE	The paste is compact, with infiltration due to the selected molds added; the rind is red in colour
TASTE	Sweet and creamy, the aromatic notes from red fruits recall the bouquet of Raboso passito, the red wine used for aging
MATURING	at least 2 months
PRODUCER	Latteria Moro Sergio - Oderzo (TV) - Veneto
OUR SELECTION	Moro offers innovative products with packaging that respects the cheese and at the same time highlights its characteristics, in line with the growing importance of service in terms of packaging, sizes and formats
CURIOSITY	The packaging of the skin packs also serves as a sales display
SUGGESTIONS	The red fruits have a sour note that makes this blue cheese suitable to be paired with a salad or try to taste it with a good glass of Porto
